Session #604 | Connect for Health Colorado Update | *Replacement speakers for Arnold Salazar & Patty Fontneau:*

Linda Kanamine, Chief Marketing Officer, Connect for Health Colorado. Linda Kanamine has been with the Marketplace since July 2013 working in provider outreach and marketing, and then as Director of Communications. Linda has an extensive background across many areas of healthcare, from providers and pharmaceuticals, to carriers and patient-focused organizations. Prior to her post at Connect for Health Colorado, Linda served more than 11 years as Vice President for Public Affairs, Marketing and Government Affairs at HCA-HealthONE hospitals, the largest healthcare system in metro Denver. Among other responsibilities while with the hospital system, she worked extensively with physicians, allied health teams, managed care and community stakeholders on health education, quality care programs, service line organization and public policy initiatives. A University of Florida graduate, she began her communications career as a newspaper reporter for 13 years, including 7 as a national news reporter at USA Today covering environmental health, Indian health, public policy, Congress and breaking news. She left the news-gathering business to move into the news-shaping field as a healthcare public relations executive for Ketchum Public Relations, working with pharmaceutical and other healthcare clients.

Adiel Brasov, Director of Training and Performance Management, Connect for Health Colorado. Adiel Brasov joined Connect Health Colorado as the Director of Training and Performance Management in November 2013. In his current role, he is responsible for directing all aspects of training and development, as well as overseeing the performance management of the organization. Adiel brings over 15 years of experience in training, coaching, group facilitation, strategic planning and organizational development. Among his past roles, Adiel has consulted with non-profit and for-profit organizations in the US and internationally and served as a Strategic Operating Planning Facilitator, a Balanced Scorecard trainer, and a LifePlan Facilitator, First Vice-President of Investments with First Financial Equity Corporation, as well as an Adjunct Professor of Philosophy at St. Louis University. A passionate communicator, Adiel holds a Bachelor of Arts in philosophy from The University of Southern California (USC), was a Doctorate Candidate in Philosophy at St. Louis University, and holds several certifications, including the Balanced Scorecard Professional and Strategic Management Professional.
